Make your first stop the Museum at 5220 Front Road in the Village of Stella. Pick up a tour map, which gives you the location of thirty participating artists. Each artist has donated an original piece of work ranging in price from sixty to one hundred dollars, which can be purchased at the Museum location. Proceeds of which will go to the Museum fund.

With map in hand, discover twelve venues as you leisurely drive around our historic Island. You will find watercolour, oil, acrylic, pen & ink, photography, pottery and fibre art at the various studios.

The Amherst Island Men's Society will provide a barbeque, located on the west lawn of the Museum from 11am to 4:30pm and the Amherst Island Women's Institute will sell coffee, water and soft drinks.

Mainlanders can catch the Frontenac II at the Millhaven Dock every hour on the half hour.
